

Eater

Big Boss Vette

When we fuck, I told 'I'm go dumb
I hopped off the dick, landed right on his tongue
Bitches really envy 'cause I know they wanna be me
Hoes really mad I turned they nigga to a eater, eater
Hoes really mad I turned they nigga to a eater

He a eater
Ate me off the bone
I like big dicks 'cause them strokes real long
Licking on my pearl, I'm like babe, I'm finna come
Fuck me in the car while you playing my song, song
Fuck me in the car while you playing my song

His baby mama told 'I'm leave me 'lone
A couple hours later, he was eatin' up my thong
She real bitter, I'm eating up the dick
Come get it back in blood, bitch, this my shit

Gobble on it, go-go-gobble on it
Say I'ma drop on it, dro-dro-drop on it
Now wop with it
Now wop with it
Now wop with it
Now wop with it

Bend it over, touch your toes, ah, ah
Said bend it over, touch your toes, ah, ah
Bend it over, touch your toes, ah, ah

I got to snap a ho
I got to snap a ho
I got that motherfucking, motherfucking snappa, ho
I got that snappa, ho

Now take a nigga, ah
