

Karma

Big Boss Vette

For any nigga, that's out here doin my bitches wrong, you run into a bitch like me

I'm going to be her mothafuckin get back bitch, call me Karma hoe!

Bitches claim they pressure, but who bringin all the smoke?

Let a nigga double back, he gon take you as a joke

And I'm all outta favors, so that free shit is a no

Don't be claiming that you know me if you used to be my hoe

He say "I don't fall in love" told that nigga "It's a bet"

Had to show him how to hoe, make em feel it in his chest

Now that nigga losin weight, yeah that nigga in distress

Now he feeling insecure, treat that nigga like the rest

I got niggas on my line, tryna eat it like a snack

And they home boys begging me to eat it from the back

I don't show a nigga feelings cause that shit ain't in my nature

I ain't slippin, boy you trippin, hoe, got too many flavors

It's the biggest

You the biggest?

Yeah the biggest what I said

I got blankets, I got pillows, finna put that shit to bed

Let a nigga think I care, boy you must've read it wrong

Say he don't recall me pimpin, well I must've said it wrong

Cause these niggas think they player till they meet a bitch like me

Have you cryin for yo momma, don't be thinking this shit sweet

Just know imma play ball if I ever catch you cheating

If I ever show my roster I'll have that nigga wheezing

Ugh!

Bitches claim they pressure, but who bringin all the smoke?

Let a nigga double back, he gon take you as a joke

And I'm all outta favors, so that free shit is a no

Don't be claiming that you know me if you used to be my hoe

Had to show him how to hoe, make em feel it in his chest

Now that nigga losin weight, yeah this nigga in distress

Now he feeling insecure, treat that nigga like the rest

When a nigga fall in love, I be loving it for real

I drink Choni out the bottle before I go for the kill

I be sexy on a bad day, all these niggas jockin

And these hoes think we playin Jenga, all these bitches blockin

I'm Big Vette bitch I'm inna cut, it's the boss

If a nigga had me and he don't no more, that's a loss

I'm the baddest they done seen, all these bitches know I'm fine

Imma spare that nigga feelings, sike bitch you know I'm lyin!

Show that nigga how the game go, I ain't no lame hoe

I don't dance around a self check nigga I don't tango

For my bitches playin niggas, we gon tell em daylight

I had you today and had yo best friend last night

Bitches claim they pressure, but who bringin all the smoke?

Let a nigga double back, he gon take you as a joke

And I'm all outta favors, so that free shit is a no

Don't be claiming that you know me if you used to be my hoe
