

I'll Be There

Big Brovaz

Oh uh uh yea
Big Brovaz with another one common!

I want you to know that i care for you, anything you need i'll be there for
you
for all that we've been through, there is nothing i won't do
I want you to know what you mean to me, anything i need if you were there fo
r me
I'll be right by your side, i make that sacrifice

When i heard you heard ?
cause we are two of a kind, no one can take that away no
?
You are the only one to catch me when i fall whoa

[Rap]

I want you to know that i care for you, anything you need i'll be there for
you
for all that we've been through, there is nothing i won't do
I want you to know what you mean to me, anything i need if you were there fo
r me
I'll be right by your side, i make that sacrifice

Anything i want from you, it'll be there in a hurry boo
cause ain't nobody stopping you
baby, baby ?
and nothing compares to you, i always be there for you.
i said i care for you
you know i'll die for you, forever more i'm right for you

[Rap]

I want you to know what you mean to me, anything i need if you were there fo
r me
I'll be right by your side, i make that sacrifice

i'm so glad to say that i'm a part of you, you know that my love will always
be true
unconditional love is what you gave me (is what you gave to me, is what you
gave to me)
always forgave me when i did you wrong, even through bad times we stay stron
g.
I appreciate the way you gave me love always.
