

If We Want To

Big D And The Kids Table

I could not ever see myself packing up and taking off just to f
all asleep and work again

I will not count my sleep hours Let 'em all just have me all gr
oggy and incoherent I just met a crazy girl who's sane so I'm n
ot about to leave just yet

Only an idiot would say "right on I'll see ya" Just to go home
and think what coulda been.

We've both finished ripping off all the labels on the pantry ca
ns

We've all succeeded hurling the tv still plugged in down the fr
ont stairs.

So Why not

Chorus:

'cause we can stay if we want to

She could not ever think of leaving everyone she knows is never
all in the same place

The 8 hours she spends hardly working with this she would gladl
y replace

All she wants is what we want free time laughing with no design
ated end

She told me "I will not be a slave to time, time must learn to
roll with me" So why not

Chorus

'cause we don't care like they do

It cannot stop too many of us laughing each other on we cannot
stop we need more trouble before the night is gone

So why not

Chorus

So why not

Chorus:

'cause we don't care like they do 'cause I'm not gonna stay as
long as you do.
