

You're Me Now

Big D And The Kids Table

Not even once did I turn did I turn it hit me (damn)not even once did I turn turn it me(damn)it seems I keep waiting for something to happen, but nothing ever happens so I wait wait wait nothing

so everytime I get up I push up I move up ill get slammed down sewn down slammed down and I don't want to be held by your stitches so now I'm ripping up tearing out left the only standing witness

damn what's up yeah what's up yeah damn what's up yeah what's up yeah damn what's up yeah what's up yeah damn what's up yeah damn what's up yeah no you can't come over are you crazy why you asking no you can't come by are you crazy why you asking no you can't come by never never come by ask again ask again ask again and its still no [chourus so your me now how does it how does it feel? your me now how does it how does it how does it feel? so your me now]

I'm always running right into a big wall a big wall, I'm always running right into a big wall a crazy wall I'm always running right into a crazy crazy crazy wall seeing you whoa its just like running right into a wall

[chorus]you me now so your me now so your me now come on how does it feel how do you feel how do you feel come on how do you feel

I'm always running right into a big wall a big wall I'm always running right into a big wall a crazy wall I'm always running right into a crazy crazy crazy wall seeing you whoa its just like running right into a wall I'm always running right into a big wall a crazy wall I'm always running right into a crazy crazy crazy wall seeing you whoa its just like running right into a wall

your me now your me now your me now [chourus so your me now how does it how does it feel? your me now how does it how does it how does it feel? so your me now]
