You said that you was pushin through my way with some Moet
Nah, see I was witcha man Devon from Calloway
He came over with bell and fay and a bottle of Alize
The homies wanted to watch me in posse
But the picture was sloppy
Oh that bootleg copy?

We tried to beep you before we went to the motel

Word? damn, my battery was on low cell, oh well
We took em to this down low spot
Man skip the part about the journey; did you hit the skins or not?
Oh no question, when have you ever seen my game go nervous?
Was y'all trickin?
Nah, not less you're countin' room service, huh
Besides player, what's a couple of bucks?
Was it lobster?
Fuck no, cheeseburger deluxe
