Somebody get the God Kane, I know he'll back you up Kick a rhyme spectacular, I think the Nigga think he Blackula I seen somebody trying to get him with sunlight Somehow it wasn't done right, then he just laced him with one bite Go for the jugular vein, that's my new thing How did you do it with two fangs, think they were gold like Wu-tang Your luck has been changed, you're left strucken with pain Well good for your ass kid, that's what you get for fucking with Kane. I creep on MC's like po' nine and take rhymes the whole nine to dig in you rappers like a coalmine Now look what I dug me, somebody better turn me off or try to unplug me Ooh it's starting to get ugly Don't miss this, hold on with a clenched fist As I tongue the microphone down just like a French kiss Relentless with lyrics that be brutal, hip-hop I stay true to Put it on you like voodoo

Unda presha, niggas unfold and felt the heat Possessed with the Brooklyn techniques we freak Ay yo Kane, hit us off with that shit one time They can't believe it, infatuated hardcore rhymes

When you diggin' out your girl from behind, you're gonna find The reason that her eyes are closed, Black Caesar's on her mind Your royal smoothness, honeys out there know how it goes Even Cabesa de pollos that habla Español Dig this now, run for your life to get away but none do Even if you escape just tell me who can you run to Test the, stupendous, tell me what was you to gain Internal bleeding, due to Kane Boom bow bow, ooh, the pain Nobody's equal, keep it lethal, and diesel, to see to the people And reach your cerebral cause that's how we do The pain gets inflicted, fake MC's get evicted Face it, truth of the matter is just that I'm too hard to get with Since days of Pro Keds, I shined over mad heads, roll up on you like the Fed Rip your whole set to shreds A crash or a wreck, because I mash for respect Only thing I want to know now, is this cash or a check?

Unda presha, niggas unfold and felt the heat Possessed with the Brooklyn techniques we freak Ay yo Kane, hit us off with that shit one time They can't believe it, infatuated hardcore rhymes

Ain't no question
I'm suffering a bad case of lyrical congestion
Not the one for testing
come mess with and end up with your chest split
No, not because of cardiac, but because how hard he act
I'm recognized as the microphone destroyer
Competition minds in the state of paranoia
I said if you're scared, get a dog
So by tomorrow you'll probably see 20 rappers walking with Rottweilers
Your gimmick is primitive, and impotent
You won't win with it so limit it

before I make your body start to hemorrhage Just when you thought that you was burning me You found yourself bleeding internally Now you heads is $\ensuremath{\mathsf{l}}$
