

# Falling Into You

Big Daddy Weave

You say don't worry, I say I'll try not to  
But it seems like I'm just predisposed  
You say just trust Me, I say I'd love to  
But I keep having trouble letting go

What I've got might not seem like much  
But I'm scared of losing it all  
I'm standing on the edge of so much more  
And I'm about to take the fall

I'm falling into You and all Your mysterious ways  
Draw me into You and Your unfailing grace  
This will be the end of me

My heart is willing but this flesh is weak  
It's like I'm paralyzed by what I think I know  
I'm waiting on You to come and rescue me  
But it's up to me to let you have control

What I've got might not seem like much  
But I'm scared of losing it all  
I'm standing on the edge of so much more  
And I'm about to take the fall

I'm falling into You and all Your mysterious ways  
Draw me into You and Your unfailing grace  
This will be the end of me

This is where I end, this is where You begin  
This is where I end  
This is where I end, this is where You begin  
This is where I end

This is where I end, this is where You begin  
(I'm letting go of me)  
This is where I end  
(I'm trusting You to be all that I need)  
This is where I end, this is where You begin  
(I'm letting go of me and falling into You)  
This is where I end

I'm falling into You and all Your mysterious ways  
Draw me into You and Your unfailing grace

This is where I'm falling into You and all Your mysterious ways  
And I'm in love with You and Your unfailing grace  
If this will be, oh the end of me
