

For Who You Are

Big Daddy Weave

Totally, completely
Entirely amazing
That the unseen has become seen
And is to me unfailing

You are the Lord, the Father of lights
You are God the Keeper of my heart
And I praise You, and I praise You

You are the lover of my soul
You are the giver of the second start
And I praise You for who You are

Seems too high for me to reach
To wrap my mind around the mystery
That who You are so constantly
Is who you're making me to be

And who You are does not rely on
What I'm currently surrounded by
You're teaching me to fly
Teach me to fly so high
