

I'd like to meet you, honey  
Ooh, I could be your good time  
You like how I treat you, honey?  
I've got a few things in mind

So what can I do?  
What can I do?  
Oh, what can I do?  
What can I do?  
What can I do to get closer to you?  
What can I do?

You know how to please me  
You make it so easy  
It's like taking candy from a baby  
Whenever I see you  
I know how to read you  
Like taking candy from a baby

I like how you need me, honey  
Ever since you opened that door  
And I love how you feed me  
I help myself until there's nothing more

So what can I do?  
What can I do?  
Oh, what can I do?  
What can I do?  
What can I do to get closer to you?  
What can I do?

You know how to please me  
You make it so easy  
It's like taking candy from a baby  
Whenever I see you  
I know how to read you  
Like taking candy from a baby

What can I do?  
Tell me, tell me  
What can I do?  
What can I do to get closer to you?  
What can I do?

You know how to please me  
You make it so easy  
It's like taking candy from a baby  
Whenever I see you  
I know how to read you  
Like taking candy from a baby
