Big Data

It's my future, not a mystery
These games that you play, you're my history
Not your possession, you don't own me
Said it's all for the best, I disagree

Ooh boy, whatchu gonna say,
When I walk away?
Got a mind to eliminate
Ooh-ooh boy
Whatchu gonna do,
When I'm not with you?
I will show you another view

It's evolutionary
Baby you should know
'Cause you gave me the keys
Then you let me go
Gonna make a change, gonna rearrange
Improve myself, I don't want your help

Oh, oh-oh-oh, oh-oh, oh, oh
I'm gonna make your momma say, "uh-oh"
Oh, oh-oh-oh, oh-oh, oh, oh
I'm gonna make your momma say, "uh-oh"

Used to build me up
Used to knock me down
Thought you were so clever
Who's laughing now?
Are you listening,
Do I have your attention?
I'm telling you now, I'm your final invention

Ooh boy, where you gonna go,
When you're all alone?
Such a shame you've been overthrown
Ooh-ooh boy, whatchu gonna do,
When I'm not with you?
I will show you another view

It's evolutionary
Baby you should know
'Cause you gave me the keys
Then you let me go
Gonna make a change, gonna rearrange
Improve myself, I don't want your help

Coulda had a good thing
Coulda been so evolutionary
But if we can't be together, babe
I'm gonna make your momma say...

Ooh boy, whatchu gonna be,
When you're not with me?
They call me catastrophe
Ooh-ooh boy, whatchu gonna do,
When I'm not with you?

I will show you another view

It's evolutionary
Baby you should know
'Cause you gave me the keys
Then you let me go
Gonna make a change, gonna rearrange
Improve myself, I don't want your help

Coulda had a good thing
Coulda been so evolutionary
But if we can't be together, babe
I'm gonna make your momma say...

Oh, oh-oh-oh, oh-oh, oh, oh
I'm gonna make your momma say, "uh-oh"
Oh, oh-oh-oh, oh-oh, oh, oh
I'm gonna make your momma say, "uh-oh"
