

Fly Again

Big Dismal

Waiting
Feels like that's all I've ever done
Trying to slowly overcome what you've done to me

Jaded
From all the broken promises
And the lies
And the times
That you let me down
But you can't stop me now

I'm stepping out of the shadows
I'm letting go of the pain

'Cause it's time for us to rise again
For us to shine again
Learn how to fly again

Oh, wasted
All those years here in the dark
Living with a broken heart
That I thought would never heal
Never heal, yeah

Oh, but I was not alone
You slowly brought me home
And made me a better man
Oh, now here I am

I'm stepping out of the shadows
I'm letting go of the pain

'Cause it's time for us to rise again
For us to shine again
Learn how to fly again

Yeah, it's time for us to take the win
For us to live again
Learn how to fly again

I knew this day would come
And it's finally here
Are you with us?
I know you're with us

I prayed so many nights
For the time to be right
But i know it's not my time
It's your time

Yes, won't you come and set us free?
I know you know that we still believe

And it's time for us to rise again
For us to shine again
Learn how to fly again

Yeah, it's time for us to take the win
For us to live again
Learn how to fly again

I'm stepping out of the shadows
Letting go of the pain
Are you with us?
I know you're with us
