

Missing You

Big Dismal

I don't want to say goodbye
I can see the fear inside your eyes
It's so hard to walk away

I know that this feels like the end
Life never seems to let you win
But I'll be back someday

I'm already missing you
But I'm not even gone
In time we'll be together again
And it won't be long

Now everything goes up and down
And the world keeps spinning round and round
And still you're waiting there

I'll try to make it another night
And dream of you when I close my eyes
'Cause I'll be back someday
Just hold it in
Don't let it go
You'll always live
Inside my soul
