

Stay In The Fight

Big Dismal

Do you feel lost? Do you feel broken?
Like you're coming apart at the seams
What does it mean?
Are voices deep inside your mind
Telling you not to believe?
Just believe

And hold on
To the feeling deep inside
Telling you that it's all right
Stay in the fight
Just go on
Even when you wanna die
We all must pay the price
Stay in the fight

Do you feel lost? Do you feel broken?
Like the pain will never end?
My dear friend

Just hold on
To the feeling deep inside
Telling you that it's all right
Stay in the fight
Just go on
Even when you wanna die
We all must pay the price
Stay in the
Stay in the
Stay in the fight

I don't know where I'm going
I don't know where I've been
All I can do is breathe now
And tell myself again

Just hold on
To the feeling deep inside
Telling me that it's all right
Stay in the fight
Just go on
Even when you wanna die
We all must pay the price
Stay in the
Stay in the
Stay in the fight

Stay in the fight... yeah
Stay in the fight
