

Big

Big Freedia

Big ass
Big mouth
Big bands
Big house

Everything I do is big
Chillen at
Big Freedia house

All I drop is big ish
Toilet bowls
Need cleaning out

I pull up in that black thing
I Do a set
I roll out
Big bank
Big Tank
Bang Bang
Shots out

All of y'all
Can eat this up
Like black folk at the cook out
Thick and pretty from the South
Money chasing fuck the clout
Settle down children
Before I bring my paddle out

I got the juice
To make the girls want move
I got the juice
To make the girls want move
I got the juice
To make
I got the juice
To make
I got the juice
To make the girls want move

Bodies on the floor
Percolating to the Flow
Gettin loose
Sweating hoops
Now ya earrings on the floor

Bodies on the floor
Percolating to the Flow
Gettin loose
Sweating hoops
Now ya earrings on the floor

You know how the story goes
I am all they talk about
Tarriona Ball
Big balls
Cause

I ball out

Ya clout chase
For big weight
I'm sniffing all you hoes out
MC hammer time
I'm about to bring my hammer out

Everybody get up in a circle
Take ya weave out
This the type of beat
The lock ya knees
And push ya back out
Baby phat
In phatty jeans
Baby face
No lace out
Baby bangs
My lace out
Them credit cards is maxed out
We get a flat
And change the drop
(It's effortless)
No comparison
Bitch
I'm killen it
I'm moving up like the Jeffersons

I got the juice
To make the girls want move
I got the juice
To make the girls want move
I got the juice
To make
I got the juice
To make
I got the juice
To make the girls want move

Bodies on the floor
Percolating to the Flow
Gettin loose
Sweating hoops
Now ya earrings on the floor
Hoe
Bodies on the floor
