

Call me Bigfoot stepping on these bitches necks
I got a big foot but I'm getting bigger checks
They don't see what's coming next
You already know the rest
I got a big foot stepping on these bitches necks

You won't catch me at a Payless bitch I'm gettin' money
Ballin' on these paychecks call me Lola Bunny
Goin' looney at the bank but that shit ain't even funny

I take big steps when I walk in the room
One giant leap like I'm up on the moon
Can't reach me bitch this ain't Zoom
Can't be me can't fill my shoes
Muthafuckin' Sasquatch stompin' through your city
Comin' for the big bags nothin' itty bitty bitch

They don't see what's coming next
You already know the rest
I got a big foot stepping on these bitches necks

I'ma stomp, stomp, stomp, stomp

Chocolate no vanilla lick it like manilla
Gotcha boy calling me up calling me hung like Attila

It's a order not a question ain't no compromise

Call me Bigfoot stepping on these bitches necks
I got a big foot but I'm getting bigger checks
They don't see what's coming next
