

Oh, just a little bit dangerous  
You pack your bag, you take control  
You're moving into my heart and into my soul  
Get out of my way, get out of my sight  
I won't be walking on thin ice to get through the night

Hey, where's your work? What's your game?  
I know your business but I don't know your name  
Hold on tight, you know she's a little bit dangerous  
She's got what it takes to make ends meet  
The eyes of a lover that hit like heat  
You know she's a little bit dangerous

You turn around, so hot and dry  
You're hiding under a halo, your mouth is alive  
Get out of my way, get out of my sight  
I'm not attracted to go-go deeper tonight

Hey, what's your word? What's your game?  
I know your business but I don't know your name  
Hold on tight, you know she's a little bit dangerous  
She's got what it takes to make ends meet  
The eyes of a lover that hit like heat  
You know she's a little bit dangerous  
Oh, just a little bit dangerous

Hey, hey, hey, what's your word? What's your game?  
I know your business but I don't know your name  
Hold on tight, you know she's a little bit dangerous  
She's got what it takes to make ends meet  
The eyes of a lover that hit like heat  
You know she's a little bit dangerous  
She's armed, she's extremely dangerous  
She's got what it takes to make ends meet  
The eyes of a lover that hit like heat  
You know she's a little bit dangerous  
Oh, just a little bit dangerous
