

Not Today

Big Freedia

You think I'm done, oh no no
You think that I'm the one no not today
(Tell em again!)

Oh, you a bum bitch, busy watching my abundance
Felt out I'm in London, doin' shit I dun, dun did
I got problems I got problems I think that they wanna use me
For my body, for money, stop my bag and fuck me proolly

Baby, you think I don't know what's up
I'm not ya doormat to walk over

You think I'm done, oh no no
You think that I'm the one, oh no no
Think you gone use me just for fun, oh no no
No not today, no not today
Tell em again (no not today)
Tell em again!

Oh so you angry, you ain't winning so you blame me
Hate to see me on ya TV baby don't you see me working
Maybe maybe you should just look at the fact
There's 24 hours in a day to get the bag

Baby, you think I don't know what's up (you think I don't know wassup
)
I'm not ya doormat to walk over

You think I'm done, oh no no
You think that I'm the one, oh no no
Think you gone use me just for fun, oh no no
No not today, no not today
Tell em again (no not today)
Tell em again!

You think I'm done, oh no no
You think that I'm the one, oh no no
Think you gone use me just for fun, oh no no
No not today, no not today
