

One More Time

Big Freedia

Everytime I'm in the city, they always show me love
I been all around the world, but I can't seem to get enough
Now the queen is in the building
Let me show you how it's done
Fuck it up one more time
Fuck it up one more time
Wa, wa, wa, wa, wa, wa, fuck it up
Wa, wa, wa, wa, wa, wa, fuck it up
Wa, wa, wa, wa, wa, wa, fuck it up
Wa, wa, wa, wa, wa, wa, fuck it up

You ain't never seen nothing like it
Big Freedia got the attention undivided
These days I'm the subject of the topic
Sauce sauce, so they always wanna bite it
Niggas aunt seen where I'm from
Freedia been hot since the jump
Make that ass bounce then im done
So fst you could see it from the front

Ooh, take a back seat
Bitch don't you at me
Make it nasty
Make it nasty
Make it nasty

Everytime I'm in the city, they always show me love
I been all around the world, but I can't seem to get enough
Now the queen is in the building
Let me show you how it's done
Fuck it up one more time
Fuck it up one more time
Wa, wa, wa, wa, wa, wa, fuck it up
Wa, wa, wa, wa, wa, wa, fuck it up
Wa, wa, wa, wa, wa, wa, fuck it up
Wa, wa, wa, wa, wa, wa, fuck it up

I just booked a show on an island
Touchdown, got my feet up, I'm reclining
Post up, took a picture and it's vibrant
Toast up, cause im finally arriving
Imma need a crown and a thrown
Imma bad one to the bone
Bitch I serve face, and I vogue
Gimme good light, and I pose

Ooh, take a back seat
Bitch don't you at me
Make it nasty
Make it nasty
Make it nasty

Everytime I'm in the city, they always show me love
I been all around the world, but I can't seem to get enough
Now the queen is in the building
Let me show you how it's done
Fuck it up one more time

Fuck it up one more time

Wa, wa, wa, wa, wa, wa, fuck it up

Wa, wa, wa, wa, wa, wa, fuck it up

Wa, wa, wa, wa, wa, wa, fuck it up
