

Pepto Interlude

Big Freedria

Ayo, it's the queen diva here
And if you think that the album is a shit, baby
This is the intermission, just for you
Come down (uh-uh)

Nausea, heartburn, indigestion
Upset stomach, diarrhea
Nausea, heartburn, indigestion
Upset stomach, diarrhea
Nausea, heartburn, indigestion
Upset stomach, diarrhea
Nausea, heartburn, indigestion
Upset stomach, diarrhea

I'm calling Mr Clean
I'm calling Mr Clean

Oh, clean it up, I clean it up
I clean it up, clean it up, clean it up
I clean your stuff
I clean it up, I clean it up, clean it up, clean your pot
You're like a bad bowel movement
Oh, I got cramps, I got cramps, I got cramps

It go tum-tum-tum-tums, tum-tum-tum-tum
It go tum-tum-tum-tums, tum-tum-tum-tum
You need some, wipe your ass
