

Pipe That

Big Freedia

Aw, yeah
Don't drop that
Don't drop that

You gotta twist it, drop it, throw, start connecting the dots
You gotta bite your bottom lip just like ya hittin' the spot
You know how to put it down but turn it up just a notch
I like the type of shit that make me think out the box

You gotta ándale, you cannot hesitate
You gotta touch your toes, you better innovate
You on that Mary Jane, you put it on display
You better let 'em know, just let it marinate

Oh, baby, I pipe that
Oh, baby, I pipe that
Oh, baby, I like that
Oh, baby, I pipe that
Oh, baby, I pipe that
Oh, baby, I pipe that
Oh, baby, I like that
Oh, baby, I pipe that

I like to see it when it sliding up and down on the pole
You gotta whip it, whip it, whip it like a pot on the stove
You gotta bend it, twist it, flip it like you mopping the flo'
You tryna press a motherfucker, bitch, you doing the most
You jealous motherfuckers always doing the most
Tryna make a motion picture but you doing the most

You gotta ándale, you cannot hesitate
You gotta touch your toes, you better innovate
You on that Mary Jane, you put it on display
You better let 'em know, just let it marinate

Oh, baby, I pipe that
Oh, baby, I pipe that
Oh, baby, I like that
Oh, baby, I pipe that
Oh, baby, I pipe that
Oh, baby, I pipe that
Oh, baby, I like that
Oh, baby, I pipe that

Oh lawdy, lawd
Look at all
That ass on the floor
Oh lawdy, lawd
Look at all
Those asses on the wall

Oh, baby, I pipe that
Oh, baby, I pipe that
Oh, baby, I like that
Oh, baby, I pipe that
Oh, baby, I pipe that
Oh, baby, I pipe that

Oh, baby, I like that
Oh, baby, I pipe that
