

# Pop That

Big Freedia

Ya'll ready?

Ooh, you got the pop, pop, pop

One time like this, make it pop like this  
Make it knock like this, make it pop pop pop  
One time like this, make it pop like this  
Make it knock like this, make it pop pop pop  
One time like this, make it pop like this  
Make it knock like this, make it pop pop pop  
One time like this, make it pop like this  
Make it knock like this, make it pop pop pop

I'mma Megatron you hoes  
Ninja chop you bitches  
When I walk up in the room you best be standing at attention  
I done told you hoes, time and time again  
If you come for me, you better bring a friend  
Cause one of me equals two of them  
Gotta double up when it's time to dance

Dance, dance, dance do what you can, you gotta  
Dance, dance, dance do what you can you better  
Pop it when you drop it, bend it over, don't you stop it  
Pop it when you drop it, bend it over, don't you stop it  
Gotta dance, dance, dance do what you can you gotta  
Dance, dance, dance, do what you can you gotta  
We all up on the dance floor, it's time to let it go  
When the Diva hit the scene they like  
You already know!

Piggety pop, pop pop pop like this, pop pop like that  
Piggety pop, pop pop pop like this, pop pop like that  
Piggety pop, pop pop pop like this, pop pop like that  
Piggety pop, pop, pop, pop

One time like this, make it pop like this  
Make it knock like this, make it pop pop pop pop  
One time like this, make it pop like this  
Make it knock like this, make it pop pop pop pop  
One time like this, make it pop like this  
Make it knock like this, make it pop pop pop pop  
One time like this, make it pop like this  
Make it knock like this, make it pop  
Pop, pop, pop, pop, pop, pop, pop
