We don't need no music  
All we need is the Holy Ghost  
We don't need no music  
All we need is the Holy Ghost  
We don't need no music  
All we need is the Holy Ghost  
We don't need no music  
All we need is the Holy Ghost

He is superior, He's standing on top  
Let's brag about God and all that He has done  
I got stress and anxiety  
But when I get down on my knees  
Every time I plant a seed  
Overflows what I receive

We don't need no music (Mhm)  
All we need is the Holy Ghost (Holy Ghost)  
We don't need no music (Mhm)  
All we need is the Holy Ghost (The Holy Ghost)  
We don't need no music (Mhm)  
All we need is the Holy Ghost (Holy Ghost)  
We don't need no music (Mhm)  
All we need is the Holy Ghost (Holy Ghost)

From the ghetto streets of New Orleans  
To Billboard charts and overseas  
I learned things I can't believe  
Ooh, the Lord's been good to me  
I lift my hands and say  
Thank God I'm saved  
He keep making a way  
Every night and day (Every night and day)

We don't need no music (Yeah, yeah)  
All we need is the Holy Ghost (Holy Ghost)  
We don't need no music (Mhm)

Said I stepped in the water (Yeah), my body got chills  
They were tryna take my soul, but my God is real (Yes, He is)  
So when I get that feeling, little bit of room is all I need  
I ain't gon' have no rocks crying out for me  
So I'm about to my dance (My dance)  
My dance, my dance (My dance)  
I'm about to stomp my feet (My feet)  
My feet, my feet (My feet)  
I'm a-gonna shout my shout (My shout)  
My shout, my shout (My shout)  
I don't need no music, Holy Ghost is all I need
