

## She Tippy

Big Freedia

She on that sip of Henny, she from that nitty-gritty  
She 'bout to glow up, hit the club looking pretty  
She on that sip of lean, she got that tip from me  
She heard of Freedia so she all about that New Orleans  
She 'bout to let it go, she 'bout that jelly roll  
What she been doing? Going Duffy, you already know  
She on that sip of Henny, she from that nitty-gritty  
She on that sip of Henny, she on that sip of Henny

Ooh, she tipsy  
Ooh-ahh  
She gon' get down  
Ooh, she tipsy  
She gon' get down  
Go on, go on, energy low  
Best believing that Big Freedia that bitch  
Freedia the one that don't quit  
Best believing that Big Freedia that bitch  
Freedia the one that don't quit  
Best believe in it  
Best believe in it  
Best believe in a bad bitch  
Ooh, she tipsy

She on the six-inch check, a bitch twerking it, working it  
Ooh, she tipsy  
She on that wile out, busting out, make 'em proud, break it down  
She 'bout to make it pop, Naomi Campbell walk  
She lookin' back at it while she do that booty wop  
She on that nine-to-five, she keep her money right  
She pulling double time, working it all night  
She gon' make me do it, she put her back into it  
She got a big booty and she know how to use it  
She 'bout to make it pop, Naomi Campbell walk  
She 'bout to make it pop, she 'bout to make it pop
