

# Take My Hand

Big Freedia

It's alright, it's alright, it's-, it's alright  
It's alright, it's alright, it's al-, it's alright  
Take hold of my hand  
Take hold of my hand

I am Big Freedia  
God comes through these speakers  
Come as you are, yeah  
You can wear your sneakers  
Calling all my divas  
And my non-believers  
Even all my kingas, straights and the swingers

My house, your house  
East, West, Up North, Down South

Come to the Queendom, you got the freedom  
To make you scream and shout  
Come to the Queendom, you got the freedom  
To make you scream and shout

It's alright, it's alright, it's-, it's alright  
It's alright, it's alright, it's-, it's alright  
Take hold of my hand  
Take hold of my hand

Tell the congregation  
This is Freedia nation  
Ain't no room for hatin'  
Over here, we're celebrating

My house, your house  
My house, your house  
East, West, Up North, Down South

Come to the Queendom, you got the freedom  
To make you scream and shout  
Come to the Queendom, you got the freedom  
To make you scream and shout  
Come to the Queendom, you got the freedom  
To make you scream and shout

It's alright, it's alright, it's-, it's alright  
It's alright  
It's alright, it's alright, it's-, it's alright  
It's alright  
Take hold of my hand  
Take, take, take, take, take, take  
Take hold of my hand

It's alright, it's alright, it's-, it's alright  
It's alright  
It's alright, it's alright, it's-, it's alright  
Take hold of my hand  
Take hold of my hand

It's alright, it's alright, it's alright

It's alright, it's alright, it's alright  
Take hold of my hand  
Take hold of my hand
