

No Apologies

Big Gigantic

I don't need apologies for saying I was used
I don't need your sympathies for saying I was bruised
I don't need you on your knees because baby here's the truth
I could never be hurt so casually unless it was by you

I don't want you to leave
Effortless and you're reckless with what you've done to me
So come on baby here's a little taste of truth
I don't want to be hurt by anybody unless it's you

I don't want to be hurt by anybody unless it's you

I don't need you calling me and saying you're to blame
I just want you all for me and whispering my name
Won't you come and follow me two players in our game
Come and fly with come get high with me I know you feel the same

I don't want you to leave
Effortless and you're reckless with what you've done to me
So come on baby here's a little taste of truth
I don't want to be hurt by anybody unless it's you

I don't want to be hurt by anybody unless it's you
