

Julianna

Big Head Todd and the Monsters

Been six days since your last hello
Empty space here, that's your pillow
It's a black night and the moon is yellow
Keep that shade high and the music mellow

Julianna I want you now
You're the woman who showed me how
To be a man and make up my mind
Julianna I'm wasting time
Julianna why won't you believe?
I'll be the lover you want me to be
You are the moon and the sun and the sea
Julianna don't set me free

I've been crazy, hang this head low
Touch my heart there, feels like Brillo
Think I don't care, except for my, well, you know
Shine your light on this weeping willow

Julianna I want you now
You're the woman who showed me how
To be a man and make up my mind
Julianna I'm wasting time
Julianna why won't you believe?
I'll be the lover you want me to be
You are the moon and the sun and the sea
Julianna don't set me free
