She's got eyes like diamonds, they shine like Klondike gold She's got eyes like diamonds, they shine like Klondike gold Every time she loves me, she sends my mellow soul

Well, you're so beautiful, you've got to die someday Well, you're so beautiful, you've got to die someday All I want's a little loving, just before you pass away

Pretty baby, I'm goin' away and leave you by yourself Pretty baby, I'm goin' away and leave you by yourself You've mistreated me, now you can mistreat somebody else
