Can tell who it is by the way we rob people  
We headed to the club to see what we can snuff out  
But first we head to the spot so we can get totally drilled out  
There's no doubt that the boys from down south  
Take a look at the kids they taking what I dream about, sex  
Now what you think that I came here for?  
To buy [?] for my Adidas? No!

Drinking that lady pipe, don't say that you don't like this

Now hold up, I see some niggas gettin' [?]  
Now all my niggas right here because we [?] more than doves
