

## Highs & Lows

Big K.R.I.T.

Now I was doing it big all on my own  
Grippin wood grain and ridin on chrome  
Sprinkling game everywhere that I go  
Cause all these wonder girls wanna fuck  
Now I was old school riding slamming my doors  
Recline and shine like a pimp 'supposes  
Life ain't nothing but a eq of highs and lows  
Eq's highs and lows

I got more than your amount, what's in your account  
Young Krizzle newest out the south  
So it's going down,

If you ain't buying what you want then you barely paid  
Didn't see me hiding you could barely hate cause
