[Big K.R.I.T.:]

I'm playa, look at what I do to all these haters
Take you straight to the top like escalators
Riding on vogues
Pimpin' these hoes, slamming Cadillac doors
I'm playa, look at what I do to all these haters
Take you straight to the top like escalators
Riding on vogues
Pimpin' these hoes, slamming Cadillac doors
I'm fly, I'm fly, I'm fly, so fly, so fly, 747 fly, 747 fly
It's a bird, it's a plane, no I'm doing my thing
Cause I'm fly

I'm so fly I can soar above the clouds
Angel wings on the spaceship
We might not touch the ground
This my high, superman, red cape
Draped out, ice cream gorilla
Hell yeah, we baked out
My whip Delta, yeah
We can fly wherever
Buckle up, safety first
She ain't seen us lever
You ain't seen the bells or the European features
Ladies to the cockpit
This ya captain speaking
You gotta love that
Gotta love that
Hatin' in the [?] field
We flying all above that
G5, turbo, caddy, outer spacin'
Tell a bad chick we goin' places
'Cause she know I'm

I'm playa, look at what I do to all these haters
Take you straight to the top like escalators
Riding on vogues
Pimpin' these hoes, slamming Cadillac doors
I'm fly, I'm fly, I'm fly, so fly, so fly, 747 fly, 747 fly
It's a bird, it's a plane, no I'm doing my thing
Cause I'm fly

Up, up and away
I probably be the flyest
So high up in the air
To whack me down you need a giant
My own hanger, charter straight to the paper
Speed bump lane
[?] New York skyscraper
Yeah, Yeah, Yeah, Yeah
The view up here is amazing
Cabin pressure low
'Cause the sky be purple hazin'
Where we purple rainin'
But, yeah, it's still sunny
I can take you to the tip-top
Where you can see the money

I know you feel it
I know you feel it
The altitude that I'm at
There ain't another human living
I'm thorough with this pimpin'
I soccer ball kick it to the women 'round the world
And they with it, cause

I'm playa, look at what I do to all these haters
Take you straight to the top like escalators
Riding on vogues
Pimpin' these hoes, slamming Cadillac doors
I'm fly, I'm fly, I'm fly, so fly, so fly, 747 fly, 747 fly
It's a bird, it's a plane, no I'm doing my thing
Cause I'm fly

[Corey Cato:]
Yeah, yeah, Krizzle stay back

I gotta go get it
Chevrolet crawlin'
NBA ballin'
[?] like Odom
I'm back, I told 'em keep it pimpin'
Look down on the world through my [?]
I'm fly, so high, 747 [?]
Shawty won't ride with me
Tell 'em bring a parachute 'cause
