

Wet Lashes & Shot Glasses

Big K.R.I.T.

Wipe the tears off, wipe the tears off
'Cause love don't live here anymore
Love don't live here, love don't live here

Wet lashes, shot glasses, joint ashes
Don't need you anyway
Yes, baggage, we had it, no status
Better off our separate ways
Wipe your teardrops off while we drink and smoke
Wipe your teardrops off while we drink and smoke
Wipe your teardrops off while we drink and smoke
When will love come 'round? Love ain't here no more

I guess I'll wipe off the car ('Cause, player)
Dust off the garm' (Mid layer)
Sign up to old school and I can doze in the parkin' lots
Show me the pros that's goin'
Call up the homies
Knowin' my heart's a broken moment
I didn't hone a lot
I got a stiff eye, I got a ride, clean
I'm on a mission to get over you in my time machine
And this here don't U-turn, ain't no rearview mirror
Ever clearer than a vodka shot that wipe my tears away

Wet lashes, shot glasses, joint ashes
Don't need you anyway
Yes, baggage, we had it, no status
Better off our separate ways
Wipe your teardrops off while we drink and smoke
Wipe your teardrops off while we drink and smoke
Wipe your teardrops off while we drink and smoke
When will love come 'round? Love ain't here no more
Twysted Genius, baby

Bop, I shine the whip, she like speed
I got the ice, she's tryna ski
I'm on a wave, she like it deep
Who gettin' paid without me?
I'm on some skates, you on feet
My shit laid with no crease
We don't flex over, and I point the stick, part the sea
Who gon' opp' us? Who gon' stop us?
When it rain, ain't no mop up
Ain't no down, how we pop up, roly-poly
You can't clock us, too legit
You can't lock us, hang my jersey in a locker
Club bottles always poppin', who they love when you stop it?

Wet lashes, shot glasses, joint ashes
Don't need you anyway
Yes, baggage, we had it, no status
Better off our separate ways
Wipe your teardrops off while we drink and smoke
Wipe your teardrops off while we drink and smoke
Wipe your teardrops off while we drink and smoke
When will love come 'round? Love ain't here no more
