

# Wake Up

Big Kenny

I wake up to watch you sleep  
Just as long as I can watch you sleep  
It makes me remember why  
I made all those promises I swore to keep

May the day never come  
We should worry 'bout the things we could've done  
As we live inside these dreams  
All we see is everything that we can be

Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na

And when you wake up from your dreams  
I hope you open up your eyes and you see me  
Standing on the other side  
Truly knowing how it feels to be alive

Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na

Let me see over the rainbow  
Where the sun blows through the trees  
Let me see over the tree tops  
Where the breeze, it carries me, yeah, yeah

Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na

Let me see over the rainbow  
Where the sun blows through the trees  
Let me see over the tree tops  
Where the breeze, it carries me

Na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na
