Babe, I'm on my last go round  
An I hate to say, 'Good-bye'  
Babe, I'm on my last go round  
But it's time to say, 'Good-bye'  
Since you did what you wanna do  
Babe, an I guess you satisfied

Since you got me grievin'  
Babe, an I'm scared to say, 'Good-bye'  
You got me grievin'  
Babe, an I'm scared to say, 'Good-bye'  
Well, I got to leave you, baby  
And it ain't no use to cryin'

You stared me to drinkin'  
Babe, a-drinkin' both night an day  
An you started me to drinkin'  
Babe, and runnin' from town to town  
You know I had a good woman  
But you made her throw me down

'Yeah!'

(piano, guitar, drums)

Babe, you make me drunk on Sunday  
Just to play me for yo' clown  
Babe, you'll make me drunk on Sunday  
Just to play me for yo' clown  
Babe, you know I meant you only good  
But you tryin' to tear me down.
