Everybody clap yo' hands, and sing along wit me  
It's Big Moe, da barre baby, representin these Southside streets

Now see it started back in seventy-fo', Teri gave life to Moe  
See momma was a hustler, daddy was a buster, y'all know how that go  
I was raised Screwed Up Texas, didn't know my direction  
Now I'm a state representative, been chose by election  
Some said I wouldn't make it, but I'm still in the game  
Things done changed, diamond rangs  
Man it's funny how things done changed  
I hooked up with that DJ Screw  
He slowed it down, chop-chopped it too  
Got blades on the bus, candy paint on the truck  
If you wanna know what's in my cup

Purple stuff! (Purrrrr-pulllll) Purple stuff, purple stuff  
Purple stuff! (Purrrrr-pulllll) Purple stuff, purple stuff

Now now now  
That 'Purple Stuff', that Houston soda in my cup  
Now I'm behind the wheel, catch the wood, I'm done  
Under the influence of bar  
Drank stains on my FUBU and I still feel like a star  
Now I'm a go up behind the wheel cause I done woke up  
Wrapped around a pole and took a sip from my cup  
Now I can't slip up, clipper  
Catch a playa leanin impa-uh, one up in the trunk  
Now now hut, two, three to da fo'  
I done slammed up the fo' wit a Crush Pineapple  
Gotti gon' last long but I ain't sippin wit dat bowl  
Drinkin at the bar baby I be way too throwed  
And I guess a playa had about enough

Purple stuff! (Purrrrr-pulllll) Purple stuff, purple stuff  
Purple stuff! (Purrrrr-pulllll) Purple stuff, purple stuff  
Purple stuff! (Purrrrr-pulllll) Purple stuff, purple stuff  
Purple stuff! (Purrrrr-pulllll)

Throw, yo' hands highhhh wave 'em side to side  
Throw, yo' hands highhhh wave 'em side to side  
Throw, yo' hands highhhh wave 'em side to side
