Pull a high speed in a Hellcat (Hellcat)
Shots on your block and the gunpowder, know that they smell that (Know that they smell that)
Plug threw the bomb and I ran that bitch home like a tailback (Run it back)
Don't talk to 12, just show me where my cell at
Sent cause on the mission, nah, he won't fail that (Uh-uh)
Post in the trap where the bales and the scales at (The bales and the scales)
Carbon 15 and I shoot where your head at
I ain't tryna fuck, I'm tryna see where your head at (Bitch)
Yeah, fuck this shit up, get it right back (Right back)
Moowop and Glizock winnin', they don't like that (Gang, gang)
Came in this bitch strapped, don't need a hype man (No, no)
Kick the bitch out my whip, sent her goin' hikin' (Get out)
Put this shit on, now she callin' me light man (Yes, sir)
New whip cashed out and I ain't got a license (Yes, sir)
Flooded with baguettes, they hit just like Tyson (Yes, sir)
Strike a nigga down like lightning (Strike out)
Young nigga with me, he suited and booted (Suited and booted)
Leave 'em in a stretcher, watch 'em get straight to it (Get straight to it)
Low to the ground, yeah, these bitches real coupish (Skrrt, coupish)
Extravagant lifestyle like I been in movies (Extravagant)
Servin' them drugs just like Pookie, uh (Pookie)
Niggas ain't fuckin' with Moochie, uh (No way)
All of my young niggas troopin' (Troopin')
I'm the biggest Crip in the world just like Tookie, yeah (On God)
