

# I Earned It

Big Moochie Grape

Yeah

(JohnnyTurnItUp) Yeah

(Sosa808) Yeah

I was in the trap with cocaine and marijuana (yessir)  
Never played both sides of the field, I'm not no Travis Hunter (yessir)  
I've been a thug up in this shit, won't get rid of my guns  
I bet your bitch popped out when my Maybach come hit that coner  
Standin' on business, you know we get on it (standin' on business)  
If I get the shot, I'ma kill my opponent (kill 'em)  
Still got my brother, but we not the Jones (still got my broads)  
Live in a mansion, remember all homies (the mansion)  
This Maybach, I own it, uh (scrrr), so much ice, I own it, uh  
I give them the gold, they own it, uh (they own it), all these stripes, I earn it, yo  
All these four niggas mad at me, they see how the tables turnin' (bitch)  
I got green up in the trap and this shit jump like Kermit, uh (it jump)  
Pockets, they fat like Sherman, uh (like Sherman)  
Got the contract, I burned it (I burned it), uh  
How to get money, I learned it (I learned it)  
Play you gon' get your sermon? Huh

I was just up in the truck, went pick up the mic and I seen three million, uh

Jumped in this shit real early, thirteen, my momma, even knew I was dealin' (yessir)

Wanna get next to me and the gang, just know that you gotta go send it  
Sittin' on all these hatin' ass niggas, they know Jay gonna stay winnin' uh  
Been poppin' shit since the beginnin' (been poppin'), I told my caller, could've bought me a Bentley (ice)

Stand up a nigga, just make sure they finish (finish)  
Send them out, what's up, you can't see who winnin' (uh, uh)  
Been with your fella, lil' nigga, you kidding? (What?)

Worked in the village, I hang with them villains  
Cash out on everythin', none of this really (uh, uh)  
All for the money, I'ma dive in (that's how I'm livin)'

I was in the trap with cocaine and marijuana (yessir)  
Never played both sides of the field, I'm not no Travis Hunter (yessir)  
I've been a thug up in this shit, won't get rid of my guns  
I bet your bitch popped out when my Maybach come hit that coner  
Standin' on business, you know we get on it (you know we get on it)  
If I get the shot, I'ma kill my opponent (kill my opponent)  
Still got my brother, but we're not the Jones (we not the Jones)  
Live in a mansion, remember all homies (a mansion)  
This Maybach, I own it, uh (own it), so much ice, I own it, uh  
I give them the gold, they own it, uh (they own it), all these stripes, I earned it, yo (I earned it)  
Pockets, they fat like Sherman, uh (they fat)  
Got the contract, I burned it (I burned it), uh  
How to get money, I learned it (I did)  
Play you gon' get your sermon, uh (get your sermon)

Outro

I was just up in the truck, went pick up the mic and I seen three million, uh

Jumped in this shit real early, thirteen, my mama, even knew I was dealin' (my mama knew)
