Baby I Love Your Way

Big Mountain

Ooh, baby, I love your way Everyday, yeah Ooh, baby, I love your way Everyday

Shadows grow so long before my eyes And they're moving across the page Suddenly the day turns into night Far away from the city

But don't, oh no hesitate 'Cause your love just won't wait

Ooh, baby, I love your way Everyday, yeah I wanna tell you I love your way Everyday I wanna be with you night and day

Moon appears to shine and light the sky With the help from some fireflies I wonder how they have the power to shine, shine, shine Well I can see them under the pine

But don't, oh no no, hesitate, la di da 'Cause your love just won't wait

Ooh, baby, I love your way Everyday, yeah I wanna tell you I love your way Everyday, yeah I wanna be with you night and day Whoah baby, oh baby please

Everyday I will love, I will love hon I love your way Oh baby please

I can see the sunset in your eyes Brown and gray and blue besides Clouds are stalking islands in the sun I wish I could buy one, out of season

But don't, oh no no, hesitate, la di da 'Cause your love just won't wait, just won't wait

Ooh, baby, I love your way Every, everyday, yeah I wanna tell you I love your way I wanna tell you, I will love your pretty ways I wanna be with you night and day Everyday and in everyway

Ooh, baby, I love your way Ooh baby, how I love your little ways, yeah I wanna tell you I love your way

Ooh, baby, I love your way Ooh baby, baby, baby yeah I wanna tell you how I love your pretty ways
