

# Imagine

## Big Mountain

Imagine there's no heaven  
It's easy if you try  
No hell below us, no  
Above us, only sky  
Come on  
Imagine all the people living for today

Imagine all the people living together as one  
Walking on the same earth  
Working under the same sun  
All we need is brothers and sisters  
And we can conquer the hate

Imagine there's no countries  
It isn't hard to do  
Nothing to kill or die for, no  
No religion too  
Come on  
Imagine all the people living life in peace  
Yeah

You may say that I'm a dreamer  
But I'm not the only one  
(I'm not the only one)  
I hope some day you will join us  
My arms are open  
And the world will live as one  
The world will live as one  
One people, come on

All the things we can't take with us in the very end  
All I know is we can do better than this  
The time has come to raise up the love  
And put  
Imagine if we use our minds consciously  
We can leave behind something for the children to see  
All we need people face to face  
And we can make the world a better place  
Imagine all the people sharing all the world

Imagine no possessions  
I wonder if you can  
No need for greed or hunger, oh no  
I'm talking about a brotherhood of man, woah yeah  
Imagine all the people sharing all the world  
Yeah

You may say I'm a dreamer  
You may say I'm a dreamer  
But I'm not the only one  
But I'm not the only one  
I hope some day you'll join us  
And the world will live as one  
The world will live as one  
Yeah  
You may say I'm a dreamer  
You may say I'm a dreamer

But I'm not the only one  
(I'm not the only one)  
I hope some day you'll join us  
(My arms are open)  
And the world will live as one  
(The world will live as one)  
And the world will live as one  
(The world will live as one)  
And the world will live as one

One people, unity  
And the world will live as one  
One people
