

Your Highness

BIG Naughty

When I look in through your eyes
When I feel your sweetest smile
Finally I realize
This is what life's like
When I look in through your lips
Don't even need to kiss
Finally I realize
This is what love sounds

Sweet dreams your highness
I had never been this honest
Don't worry about the finance
And see you soon in august
Sweet dreams your highness
Your eyes are so exotic
Like the flowers in Hawaii
You really are the finest

Sweet dreams your highness
I had never been this honest
Don't worry about the finance
And see you soon in august
Sweet dreams your highness
Your eyes are so exotic
Like the flowers in Hawaii
Sweet dreams your highness
