

## June's A River

Big Red Machine

Mocking  
Glaring  
Well the best of it was caring  
More than  
Modelling  
You shook a leaf from a ledge and falling  
Brought the ground back  
To where it  
Began  
Untethering  
Untethering

May's a ruin  
Unsight of you  
June's a river  
Unsight of you  
May's a ruin  
Unsight of you  
June's a river  
Nearly through

Better side  
Staring  
Soft glide I swear it  
Took me in my tracks  
Fairing  
Badly  
Without  
Without  
Without  
Your hour in the daytime

Calcing  
Caring  
Well the soft of you unbearing  
Calcing  
Caring  
Well the soft of you unbearing  
Calcing  
Caring  
Well the soft of you unbearing

May's a ruin  
Unsight of you  
June's a river  
Unsight of you  
May's a ruin  
Unsight of you  
June's a river  
I'm nearly through

Course I'm wary  
Well the sight of you unbearing  
Course I'm wary  
Well the sight of you unbearing

Mocking

Glaring  
Well the best of it was caring  
More than  
Modelling  
You shook a leaf from a ledge and falling  
Brought the ground back  
To where it  
Began  
Untethering  
Untethering

May's a ruin  
Unsight of you  
June's a river  
Nearly through  
May's a ruin  
Unsight of you  
June's a river  
We're nearly through  
May's a ruin  
Unsight of you  
June's a river  
Nearly through  
May's a ruin  
Unsight of you
