

Pay Me

Big Scarr

(Ka-ching)

Uh, yeah, nah, they ain't want me to make it (Nah)
I got a lil' bread, now my own people trying to snake me (My people trying to snake me)
Just keep it real with me or keep your distance, stop the faking (Just stop the faking)
Been crossed too many times, so ain't no more chances I'm taking (Uh-uh)
Uh (Nah), now it's my time, I've been patient (Yep)
And, no, I can't waste it if money ain't the conversation (No)
Fell in love with blue faces, I count it slow, thumb through it pacing (Thumb through it pacing)
It's bad, they two faced, at first they loved me, now they hate me (And now they hate me)
Uh (Damn), nah, they don't want me to make it (No)
But I can't let 'em stop me, I know I'm destined for greatness (Destined for greatness)
Survived all situations, pain I took, no, you can't take it (No, you can't take it)
I'm damaged from relations, keep your heart, girl, I might break it (I'ma break it)

Ho, just pay me (Pay me)
I know you want a nigga on your side, but, bitch, it ain't me (It ain't me)
Her nigga say we beefing 'cause I fucked, nah, he just hate me (He hate me)
My diamonds shining, HD (Bling)
These niggas snitching, police (Police)
Rock out the show, 3D (No security, let's go)
Grim Reaper Gang, you can't hide or get you no sleep (Uh-uh)
AR-15 with the shell catcher, hop out on feet (On feet)
Hitters play for keeps, kill everybody for the dirt cheap (The dirt cheap)
I heard that shit you said, but you ain't say it when you seen me (Uh-uh)
So Icy Scarr, feel like anemic, too much ice up on me (I'm cold)
No, I don't fuck with people, I spend my time high and lonely (I'm solo)
I got too used to winning, I'm on my grind like Tony (On go mode)
They ain't want me to shine, look at me now, bitch, I'm glowing

Uh, yeah, nah, they ain't want me to make it (Nah)
I got a lil' bread, now my own people trying to snake me (My people trying to snake me)
Just keep it real with me or keep your distance, stop the faking (Just stop the faking)
Been crossed too many times, so ain't no more chances I'm taking (Uh-uh)
Uh (Nah), now it's my time, I've been patient (Yep)
And, no, I can't waste it if money ain't the conversation (No)
Fell in love with blue faces, I count it slow, thumb through it pacing (Thumb through it pacing)
It's bad, they two faced, at first they loved me, now they hate me (And now they hate me)
Uh (Damn), nah, they don't want me to make it (No)
But I can't let 'em stop me, I know I'm destined for greatness (Destined for greatness)
Survived all situations, pain I took, no, you can't take it (No, you can't take it)
I'm damaged from relations, keep your heart, girl, I might break it (I'ma break it)

Percocets get me through the day
Drugs take my pain away, yeah, I get high to get away (To get away)
I ain't got no time to play, stack the money, stash it away (Put it away)
One thing I've learned, when you're popping, they gon' keep something to say
(Keep something to say)

They gon' always have something to say
Doesn't matter if you doing good or bad, they gon' always have something to say
Fuck 'em, though (Fuck 'em, though)
I don't give a fuck what they got to say about me
I'ma keep popping my shit, every time (Every time)

Uh, yeah, nah, they ain't want me to make it (Nah)
I got a lil' bread, now my own people trying to snake me (My people trying to snake me)
Just keep it real with me or keep your distance, stop the faking (Just stop the faking)
Been crossed too many times, so ain't no more chances I'm taking (Uh-uh)
Uh, now it's my time, I've been patient (Yep)
And, no, I can't waste it if money ain't the conversation (No)
Fell in love with blue faces, I count it slow, thumb through it pacing (Thumb through it pacing)
It's bad, they two faced, at first they loved me, now they hate me (And now they hate me)
Uh (Damn), nah, they don't want me to make it (No)
But I can't let 'em stop me, I know I'm destined for greatness (Destined for greatness)
Survived all situations, pain I took, no, you can't take it (No, you can't take it)
I'm damaged from relations, keep your heart, girl, I might break it (I'ma break it)
