

Still The Same

Big Scarr

Big Grim Reaper Gang
Woah
Let's go

I'm still the same nigga from back then
If you up, better shoot, no, you better not panic
Heard he froze on the move and it ended in damage
Now his face on a shirt, he forever regret it
I'm still the same nigga from back then
Ain't nothin' change but the price of the backend
Post on the block like I'm still gettin' bags in
I'm still the same nigga from back then
I'm still the same nigga from back then
If you up, better shoot, no, you better not panic
Heard he froze on the move and it ended in damage
Now his face on a shirt, he forever regret it
I'm still the same nigga from back then
Ain't nothin' change but the price of the backend
Post on the block like I'm still gettin' bags in
I'm still the same nigga from back then

Uh (Let's go)
Blue space coupe, yeah, the dash came digi (Dash came digi)
I can put the bag on your head, then get rid of you (I get rid of you)
Really they'll do you for the free, make 'em finish you (Make 'em finish you
)
Young rich nigga, spent a rack on some tennis shoes (On some tennis shoes)
Drippin' every day, let me show what these racks do (What these racks do)
Supercharged 'Cat, show my ass when I come through (When I come through)
Chopper on me now, I'm on your ass when I catch you (When I catch you)
Uh, bags still high, I can't bargain with ya (Can't bargain, nigga)
Gen5 on me, I ain't arguin', nigga (I ain't arguin' with ya)
Carbine with a scope, hit my target in the middle (Talkin' in the middle)
Headshot a nigga, turn his name to a riddle (Name to a riddle)
Lame-ass rap nigga, nah, I don't feel him (Hell nah, I don't feel him)
Way before the rap, I was already official (Official)
Nigga want beef, hit his block with a missile (Phew)

I'm still the same nigga from back then
If you up, better shoot, no, you better not panic
Heard he froze on the move and it ended in damage
Now his face on a shirt, he forever regret it
I'm still the same nigga from back then
Ain't nothin' change but the price of the backend
Post on the block like I'm still gettin' bags in
I'm still the same nigga from back then
I'm still the same nigga from back then
If you up, better shoot, no, you better not panic
Heard he froze on the move and it ended in damage
Now his face on a shirt, he forever regret it
I'm still the same nigga from back then
Ain't nothin' change but the price of the backend
Post on the block like I'm still gettin' bags in
I'm still the same nigga from back then

Uh, I'm wildin' out in the 'Cat like an animal
Slide, kiss the curb, I control it, then manual

I'm drippin', might leave me a stain like a candle
Shit on these niggas like I ain't got no manners
Catch an opp lackin', make him an example
Can't keep a bitch 'cause I'm too much to handle
Yeah, I'm that nigga, I'm nothin' like these randoms (No cap)
Uh, make it rain in the club on the big booty dancers
Double R business, whole gang got the bands up
Poppin' our shit, no, these niggas can't stand us
Uh, duckin' from 12, got the feds tryna raid us
Do anything just to get us some paper
You ain't talkin' money, get up with you later

I'm still the same nigga from back then
If you up, better shoot, no, you better not panic
Heard he froze on the move and it ended in damage
Now his face on a shirt, he forever regret it
I'm still the same nigga from back then
Ain't nothin' change but the price of the backend
Post on the block like I'm still gettin' bags in
I'm still the same nigga from back then
I'm still the same nigga from back then
If you up, better shoot, no, you better not panic
Heard he froze on the move and it ended in damage
Now his face on a shirt, he forever regret it
I'm still the same nigga from back then
Ain't nothin' change but the price of the backend
Post on the block like I'm still gettin' bags in
I'm still the same nigga from back then
