

# Falling From A Mountain

Big Scary

Falling from a mountain  
Above the world  
Falling from a mountain  
Just in time  
I don't wanna be saved  
I want to float  
Falling from a mountain

Falling from a mountain  
Above the world  
Falling from a mountain  
Just in time  
I don't wanna be saved  
I'm returning home  
Falling from a mountain  
To keep my hope

Falling from a mountain  
Falling from a mountain  
Falling from a mountain

Falling from a mountain  
Falling from a mountain  
Above the world  
Falling from a mountain  
Just in time

Falling from a mountain  
Falling from a mountain  
Above the world  
Falling from a mountain  
Just in time
