

# Over Matter

Big Scary

Ooh, yeah  
Ooh, yeah

In my most faded state  
And in my jaded hate  
I will say what I'll say  
And in my modest way  
I will say what I'll say  
And through a sea of waste  
I will wade unimpinged  
It was foreseen by the stars  
It was foreseen from within  
Then I am everywhere at once  
When I was nowhere to begin  
And I am wading through to you  
So discard the romance  
And throw out the voodoo  
Everybody is dancing but no one dances like we do

Ooh, yeah  
Ooh, yeah

I'm in a cloud of crazy  
I'm in a craze of lazy  
I'm in a swim out to the middle  
Just to see if you'll save me  
My friends, they take it to the streets  
They are not warm to receiving  
There is no tact nor taste  
When your stocks are depleting  
Markets reacting, new angles protracting  
Agencies exacting  
Statistics impacting  
Going out of my brain just to keep right from insane  
Cos it's catch, kill, and release  
And anybody and everybody is my sworn enemies

Ooh (oh), yeah (oh)  
Ooh (oh), yeah (oh oh)  
Ooh (oh)

Is my brain just a clock to remind me to sleep and to wake and to piss and to  
fuck and to Kisses won't wake me, no silence will wake me but Measure the  
impulse and relay the response  
Open and reflective will gain another perspective on it all

Ooh, give in, give in  
Give in, give in, give in, give in  
Give in, give in, give in, give in (oh)  
Until the day shatters you (oh)  
Penalize the imposters  
Fertilize not foster  
Rebrand, rebuild, renew (oh, oh)

Ooh (oh), Ooh (oh)  
Oh, oh, oh  
Ooh, yeah

Ooh, yeah
