Finally Famous nigga

I woke up working like a Mexican
That mean I work from 10 to 10, then 10 to 10, then 10 again
Nightmares of losing everything boosts my adrenaline

All this bread can't be too good for my cholesterol
Don't come round talking loudly, fuckin up my repertoire dawg
I can't like bruh lately I've been stressin heavily
I'm sippin, poppin, smokin on whatever take the pressure off
You bitch you, F.F. Imperial to my burial
Dodging every bullet and venereal
Anti-fuckboy material
Till I'm dead, I'm living proof
If you focus on what's in front of ya
And not what's in the peripheral, let's go!

Went to sleep snoring

I woke up working like a Mexican
That mean I work from 10 to 10, then 10 to 10, then 10 again
Nightmares of losing everything boosts my adrenaline
