

## Dark Sky (Skyscrapers)

Big Sean

I see the skyscrapers in the back, this shit is official

I got a lot on my mind, I got more in my face  
If I ain't going to get it, that day is going to waste  
I'm tryna move in my safe, like the safe was a safehouse  
I ain't going out to eat, but these hoes stay on the stakeout  
And you know it's official when I go bringing that BAPE out  
I'm thumbing through the magazines like "this the girl I'mma take out"  
Imagine stuck in the D and you tryna find a way way out  
And yeah, your music been bumping and you just waiting to break out  
And I've been waiting all god damn year, all year  
I can tell that it's near, but near ain't here  
Man, them bills is here right now  
I guess you shine brightest when the lights down, like now  
And then they say it happened for me overnight, shit, yeah I guess  
I guess it took ten years for me to be an overnight success  
What you know about living check to check to living check to check to check to check?

First place, no neck and neck  
Two girls is breast to breast to breast to breast  
Blowing smoke but I'm a breath of fresh air  
Yeah, saying I'm doing extra numbers like I'm Chinese  
Taking double shots like Siamese  
I'm from where crime breeds, her titties out like sign these  
I knew I lived this life back when I was young and used to climb trees  
I should've known back then I wasn't gonna stop  
Cause even then I was infatuated with just sitting at the top  
I said I should've known back then, man, that I wasn't gonna stop  
Cause even then I was infatuated with just sitting at the top

And I don't owe nobody in the world no favors  
I started from the basement, made it to the skyscrapers  
I'm a successful nigga, I got shit going on  
I'm a successful Don, I got shit going on  
(2x)

Bitch, watch how you speak to me  
I've been working all week and I know I need ZZZZs  
Tryna get paid repeatedly  
Jamaica or Cancun, oh now that's where I need to be  
Credit card used to be EBT, in the D though that's D-EBT  
I be thinking about becoming a cop  
So I can murder some niggas one by one off legally  
I talk that real shit, but that's why they loving it  
One time for the city, treating it like it's the mothership  
Was talking to my dad though on some other shit  
He like "man, slow down with the girls you're fucking with  
If they ain't a quarter back, there's no point of rushing it  
Don't make the same mistakes I made with your mother"  
But that's on some other shit, look  
I'm into risk and taking it  
I'm into making it then back then make it like I ain't made it yet  
This the rehab for a workaholic, I been thinking bout shaking it  
I done had a Rolex longer than I had relationships, I'm embarrassed to say that shit  
But I've been working on myself and that's the most important work  
Even if you don't get paid for it

Shit, call me the greatest  
Don't call up no favours, I call up my saviour  
Like thank you God, look at all we created  
I started rapping Biggie Smalls in the basement  
And now we headed to the tallest skyscrapers
