

Final Hour

Catch me running to the money until my feet lose feelin. Stack it wall to wall till it's leaking through the ceilin. Man, All fucking hundreds so what's that like a zillion? Working graveyard shifts cause were finna to make a killin. Went from intern to the owner of the building. Bussin nuts counting money like oh what a feelin.

To be seeing what I'm seeing after I've seen what I've seen it's like acting out a scene from a dream of my dream.

I got a dream that's worth more than my reality, and pride that's worth more than a salary, and a text from the girl I love I stopped calling Quote "I hope it's worth all it."

Sometimes I feel I'm working just to work harder, and then work harder than who worked the hardest. man the life of a workaholic. You either on your work or just workin on it.

Man fuck it kill'em all we gunna need a ton of flowers. And if you need impossible give me bout an hour.

It's time to turn a polaroid to a portrait.

Rockin street clothes gettin money like I'm corporate. Young and gettin it, isn't life gorgeous.

Bet the crib on em and you'll end up with a fortress. And I'm a need that new condo, town home, brown stone should I fuck with the dow jones?

Or maybe I'll put money on the block instead?

There's no need to save, I could get change off the street next to the meter maid.

Cause I need a made house with a piece of shade. Butler doing such a good job that they need a raise. Bad chick with an angel ass and an alyiah face. Tryna show a little TNA.

Hell ya I'm tryna see the day

Man life is so bright when you don't see the gray. The new school appointed me to lead the way. A real nigga to the DNA.

Gon a head and tell these bitches who they fuckin with. Man to get where I'm at I'll make her suck a hundred dicks.

Man to get where I'm I'll make her suck a hundred dicks. Her mouth lookin like dannon because me and canon and to get where we at she had to suck a hundred dicks.

Man I got on versace shades,

Versace belt, versace shoes. I might've fucked around and been the freshest nigga in the world today.
