

Harder Than My Demons

Big Sean

Yeah, yeah

Woah, woah, woah

I know we gon' make it if Mike Will Made-It, yeah

New tags, toe tags (Woah, woah)

No more breaks, dawg, it's time to break hearts (Break hearts)

I don't take disrespect, I take charge (Woah)

I'm in the mirror lookin' at a work of art (Like, God)

Hard work don't mean shit if it ain't smart (Ain't smart, ooh)

I'ma run the play up to the max (Like that)

So if I don't know you, don't owe you, I gotta tax (Woah, woah)

I got enough sense, and I slipped through the cracks (Woah)

And, nowadays, I wear my smile like a mask

I'm the idols I looked up to in my past

All natural, Doctor Sebi, you gon' have to CBD me

I been watchin' what they feed me (Woah, woah)

I like when she tell me with her body language that she need me (Yeah)

See my third eye is on left eye, I can't let them Eazy-E me

No sir (Sir), I don't even do flu shots

Clique with me everywhere I go, so every pic a group shot (Shot)

I done wiggled out the noose knot (Damn)

They been lyin' to me my whole life, I finally found the truth out (God)

Like they don't gotta love you if they need you (Woah)

Got angels and demons on a three-way (Woah)

And they ain't comin' to no agreement

And I still be feelin' broke again, if I'm gettin' money and my team ain't gettin' cream until we cremate (Whew)

Big headlines, I'm talkin' CNN (CNN, woah)

I see a hatin' bitch like, "Hi, it's me again" (Me again, woah)

They like "Why you feel so good?" (Man)

I'm like "Why I need a reason?" (Straight up, straight up, straight up)

Lot of salt, lot of shade bein' thrown my way, man

I guess it's just the season (Damn, throw it)

But I gotta thank God though

'Cause he got me workin' harder than my demons (Woah, woah)

God got me workin' harder than my demons (Woah)

God got me workin' harder than my, hol' up

God got me workin' harder than my demons

God got me workin' harder than my demons

God got me workin' harder than my-

Luther Vandross, never too much (Too much)

Now we two up, who, us?

Yeah, real ones learn the work through us (Through)

Baby girl wanna dance, wanna groove, wanna vibe

But you know my best move is the one where you end up on my side

The ground on the mountain top feel the same as rock-bottom (Bottom)

Quit my fuckin' job, that's when the real work started

Still showed up every mornin', every evenin' of every season (Straight up, woah)

What's the reason? God got me workin' harder than my-

Demon (Mmm)

Harder than my demons (Demons, harder than my demons)

Harder than my demons, demons, demons, demons

I been fightin' every season

Harder than my demons
