

Salute

Big Sean

(Hit-Boy)

Salute when you see me (Salute when you see me, oh)
That jealousy shit is an ocean and you either float or you sinkin' (Ayy)
Moment of truth, credit checked, nigga, you not approved (Uh)
B. B. King, I'm in love with the blues (Uh)
Don't start me up, I got finishing moves, look (Uh)
Uh, salute when you see me (Salute when you see me)
Slid through all the commercial, it's breaking news, they gotta add on TV (TV)
Poppin' out on 'em, I'm politicking
Probably in the section, where you're not permitted
Nigga, my hunnids matching my dodged fitted
Playing all go, ain't no stopping in me (Bah)

Look (Yeah)

Salute when you see me (Oh)
I bought her a CC and I wasn't first
Disgusting what bitches'll do for a purse
Disgusting what niggas'll do for the clout
I'm one of the realest, the real ones can vouch
They thought I was down (Uh) but all that shit out
You gotta play my new shit in surround (Grrr, bah, yeah)
Salute when you see me (Salute when you see me)
Put in the call to the plug, my runner get to you speedy (Oh)
Still thugging like the days when they wouldn't hearin' my CD (Woo)
Made it out of the trenches, my nigga, salute when you see me (Salute when you see me, ayy)

Yeah, salute when you see me (Woah, woah, woah)

I'm gettin' greedy, I blow the whole budget on me, that's on me, I'm conceited

Treaty? Nah, that ain't how we treat it (Treat it)

This right here sound like a three peat (Three)

I put the tip in, it sound like I'm needy but I'm like, "Oh, bitch you too needy" (Too needy)

Me and HB going juvie in BJ, they gotta put my face on the box of weedies, I'm prayin' for whoever think competin'

Salute when you see me (See me)

That's hardly ever so that's how you greet me (God)

I'm goin' TM101, Jeezy and plus they got Detroit on repeat (Repeat)

I'm with the love of my life for like three weeks 'cause that's all I needed (On God)

She wanna go on a trip and retreat but I'm sorry, I never retreated (Nah)

I set the bar up so high that you might as well leave it, I'm goin' undefeated

I've broken the system, the shit had to breach it, that's mission impossible, mission completed, uh

Uh, yeah

Salute when you see me (Oh yeah)

I got the heart of a God and a genie

I want you to love me, I want you to need me (Uh)

When I shoot at his face it's a Fivi' (Grrr, baow)

I gotta give back to the hood, I remember when I was the needy (No flex)

Clean me up (Clean me up), squeaky, uh (Squeaky)

She fell in love (She fell in love), deeply, uh (Deeply)

Percocet (Percocet), sleepy (Sleepy)
They like what I say, they repeat me (Ayy, ayy, ayy)
Uh, yeah, look (Uh)
All this money, I've been spendin' on VV's (All this money I've been spendin'
' on VV's)
Uh, that's why you gotta salute when you see me
Lil' bitch (Uh, uh)
